

Tavistock and Portman Charity

Understanding the life of the mind

Tavistock and Portman Charity | Small Bids Reporting Form

Project title	Values in Practice staff awards
Name of successful applicant/ team	Communications team

Please describe the lasting impact of this funding and who has benefitted (500 words).

The funding supported our Values in Practice awards, which recognised and celebrated the work and achievements of our staff over the past year.

Staff across our organisation work incredibly hard to fulfil our mission to provide high-quality specialist mental healthcare, alleviate emotional distress and pioneer innovative education and research.

Our Values in Practice awards allow us to recognise and thank our staff for their dedication and hard work.

Please provide us with any pictures or testimonials that can be shared.

On winning the showing respect staff award, Complaints and Enquiries Manager Fay Shorter said: "It is a great honour to be recognised for this award as it helps to spotlight the hard work and dedication of the Complaints and Enquiries team to continuous improvement of the patient experience. Thank you so much!"

On winning the championing inclusivity award, Customer Support Manager Jonathan Stubbs said "I am touched and honoured to have been nominated and win this award, a heartfelt thank you to all those that put me forward, it truly means a lot to be recognised in this way."
